## We Went To Bessemer—And A Good Time Was Had by All

MONTEVALLO CIVIC CLUB  
GUESTS OF BESSEMER  
KIWANIS

Twelve members of the Montevallo Civic Club went to Bessemer Wednesday for a meeting with the Bessemer Kiwanis Club.

It was a most enjoyable and profitable occasion. Here is the touching expression of welcome we received:

"Howdy, members of the Montevallo Civic Club. We feel all bubbling over with happiness because you have thought enough of us to lay down your various concerns and drive all the way up here to stick your feet under our table and be friendly with us. We appreciate your pep in putting on this considerable venture and congratulate you on your part in establishing the true bonds of interest and friendship that should exist between our two communities."

"We're especially glad you could be up here today when some of our Birmingham friends are looking in on us too. We are tickled to have them, but we don't want them to be casting any sheep-eyes toward you men from Montevallo. We found you first and we can't allow any outsiders to be sitting in on our courtship."

Gordon Vail, the master entertainer of the Bessemer Club, provided the following original songs which were sung by the group:

(Tune—On Wisconsin)

Montevallo—Montevallo — Here's our hand today,  
Take it and shake it—just don't break it  
All will be O.K.  
You're our neighbor as we labor  
Hand in hand we'll go  
Building friendship true and loyal  
As — we — go.  
You've a right to—and we'd like to have a highway—new  
Just that we could—travel so good  
When we visit you.  
We would tie our towns together,  
Tie them good and tight;  
Then for better business boost with All — our — might.

And here's another of their little ditties which Gordon said tries to shape itself to the tune of "Oh, Susanna."

Down there in Montevallo  
Where both looks and brains abound,  
There are lots of nifty visions  
For the boys who look around  
(Chorus)  
Oh, Montevallo—we sorta envy you,  
For your streets are full of beauties  
And they need no ballyhoo.  
Those girls adorn your campus,  
And they brighten up each street.  
We may come down and chat a while  
With each one we meet.  
(Chorus)  
Oh, Montevallo, no wonder you feel gay,  
We would like to come and visit you—  
We'll be there any day.

### Mrs. Tidwell Entertains

Mrs. W. F. Tidwell entertained with a bridge party Friday evening. After an evening of bridge delicious refreshments of charlotte, cake and coffee were served to the following guests: Misses Dorothy Liles, Ouida Thompson, Jack Bowdon, Lois Ackerley, Eloise Meroney, Hattie Lyman, Annie Mary and Marion Jones-Williams, and Mesdames R. A. Hendrick, F. P. Givhan, M. L. Orr, E. D. Reynolds, and the hostess, Mrs. W. F. Tidwell.

### NOTICE TO SUBSCRIBERS

After the first of February the following subscription rates to the Montevallo Times will be in effect.  
1 year (in the county) \$1.00  
1 year (in the state) \$1.50  
1 year (outside state) \$2.00

These prices are made necessary by the increase in cost of newsprint and other materials and processes necessary in production of the paper.

## Skating Club Formed At Grammar School

A skating club has been organized in the Montevallo Elementary School. It is comprised of pupils of the third, fourth, fifth and sixth grades. The officers of the club are: Bobby Gunlock, president; Aubrey Crowe, vice president; Jimmie Henning, secretary.

Practice skating by members of the club is held each Tuesday, Thursday, and Friday afternoon, 2:30 to 3:10. Permission was given by Mayor Acker for closing the street between the two entrances to Alabama College campus during the skating periods. The skaters request us to say parenthetically, that they heartily thank the mayor for this concession.

Each pupil desiring to enter the skating club is required to bring a note from the parents stating that permission is given to skate.

Only members of the club are allowed to skate in the closed section of the street.

Supervision of the skaters is under the direction of Miss Ethel Harris. Skating will continue for some weeks, at the conclusion of which there will be a contest.

### BOY SCOUTS

(By John Orr)

Instead of having a party as originally planned, the Scouts decided to entertain themselves with an early morning hike to Davis Falls. The trip will occur some Saturday morning in the near future. Patrol leaders will decide upon the games to be played and what food to be served. It looks like it will be a good time for every Scout. Some Scouts objected (half heartedly) that Saturday morning was a time to sleep and 6:30 was practically in the middle of the night. However, they were overruled.

At the meeting Monday night the registration of all the Scouts was fixed up by the able quartermaster, Fred Pearson. Inter-patrol activities, tests, patrol meetings, etc., were discussed. All the names of the patrols were announced. They are Bob White, Flying Eagle and Wolf.

Bob Anderson remarked upon the name chosen by Donald Vaughan's patrol by quoting from a popular song: "I was talking to the mocking-bird. He says you're the worst he's heard, Bob White." This met with much laughter at the meeting.

Bob's patrol is in charge of the program for the next meeting. They won't say what it's about, but we're waiting.

In cooperation with the Black Warrior's drive for more members, The Montevallo troop is welcoming any boy over twelve into its membership. Scouting is instructive, entertaining and morally helpful. If you wish to join, you may do one of three things:

1. Mention it to any Scout. He will do the rest.

2. Mention it to either Mr. Dobbins or Mr. Bagwell.

3. Come around to the high school basement Monday night at 7:00 o'clock.

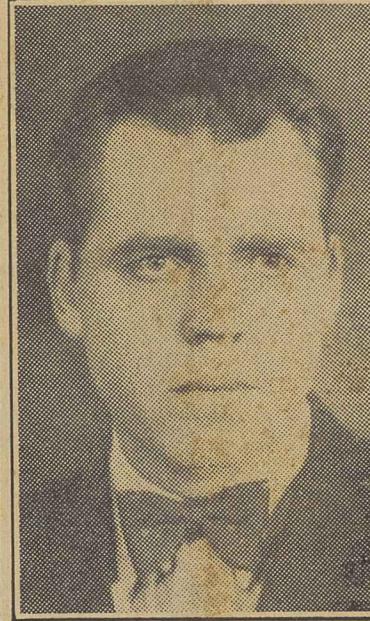

Why not give it a try?

### CARD OF THANKS

We wish to express our appreciation for the kindness and sympathy shown us by our friends and neighbors during the illness and death of our husband and father, F. W. Killingsworth.—Mrs. F. W. Killingsworth and family.

A very interesting meeting of the Executive Committee of the Methodist Missionary Society was held at the home of the president, Mrs. O. B. Cooper, on January 11 at 3 o'clock. Plans for the year's work were discussed and the respective chairmen named for committees for the year. Dainty sandwiches and an iced drink were served to the thirteen members present.

STANLEY M. MAHAN

Mr. Mahan announces this week that he will be a candidate for the Board of Revenue of Shelby County.

### NO SOLUTION FOUND FOR DOGWOOD ROBBERY

At the time we go to press there has been no answer to the question: Who held up the Dogwood payroll last Saturday?

The bare fact remains that three bandits stopped the payroll car on its way from Aldrich to Dogwood and took the \$8,000 in cash that was going to pay off the Dogwood miners.

The Junior III Class of Montevallo High School plan to entertain the other classes at a dance Friday night. Mr. B. W. Collins and Mr. W. F. Tidwell supervisors of the two sections of the class, and Misses Eleanor Reynolds and Myra Frost, presidents, are in charge of arrangements for the dance. The committee chairmen are: decorating, Julia Ward; bids, Myra Frost; and music, Alice Nelle Fulford.

Mrs. W. J. Kennerly entertained several of her friends at a spend-the-day in her home. Those who enjoyed this party were: Mesdames E. H. Wills, E. P. Hood, Floyd W. Lacey, L. C. Parnell, Eugene Reynolds, G. T. Towery, and F. P. Givhan.

Edmund Pendleton entertained several of his friends with a party at his home last Friday night. The guests enjoyed dancing and games such as clap-in and clap-out and wink.

Refreshments were served to the following boys and girls: Sylvia Appleton, Fred Pearson, Julia Ward, Winston Peterson, Eleanor Reynolds, Francis Peterson, Margaret Earle Carter, John Orr, Alice Nelle Fulford, Billy Rotenberry, Myra Frost, and Jimmy Wyatt.

## Stanley Mahan To Be Candidate For County Board of Revenue

### Another Enterprise Started By Brown

Adding to his list of six business concerns Mr. J. A. Brown announces the beginning of operations of his seventh enterprise. It is the Alabama Bagging and Tie Company. Location of the new business is in the Kroell Building.

Four persons have already begun work manufacturing bagging and ties for cotton. Two machines for this purpose have been installed. Mr. Brown expects to add to the machinery equipment and employ additional workmen in the near future.

During the winter months some of the employees of the gin and ice plant are idle and Mr. Brown expects to employ them steadily in his newest enterprise.

A high quality of new and used bagging and ties will be produced. There is a most favorable and promising market for this product offering prospects for a profitable business.

This new business is a most worthwhile addition to Montevallo. It speaks another word of commendation for Mr. Brown. He is surely doing his part to keep the wheels of industry turning in this community.

### NEGRO BOY KILLED IN AUTOMOBILE ACCIDENT

Howard Moore is in jail and Joe Nix, colored boy about 16 years of age, is dead, the result of an accident which happened last Saturday night at the intersection of the Wilson and Montevallo roads at the south end of the new bridge.

The Negro boy was struck by a truck driven by Mr. Moore.

Judge Shaw stated Wednesday that preliminary trial for Mr. Moore will be held some time next week. Two charges are entered against him—driving while intoxicated and manslaughter.

### STUDIOSIS CLUB MEETING

The Studiosis Club met Tuesday night in the West Parlor of main dormitory at 7:30 o'clock. Mrs. Isobel Bruce was chief speaker for the evening. Mrs. Bruce spoke on "Culture From the Sociological Point of View." The members were served gingerbread and sweet cider by the hostess committee. Those on the hostess committee were: Mrs. J. L. Appleton, Miss Elizabeth Allen, Mrs. Laura Coleman, Mrs. Robert Holcomb, Mrs. C. H. Mahaffey, Miss Minnie Steckel, Mrs. Russell, Mrs. M. L. Orr, and Miss Worley.

Edmund Pendleton entertained several of his friends with a party at his home last Friday night. The guests enjoyed dancing and games such as clap-in and clap-out and wink.

Refreshments were served to the following boys and girls: Sylvia Appleton, Fred Pearson, Julia Ward, Winston Peterson, Eleanor Reynolds, Francis Peterson, Margaret Earle Carter, John Orr, Alice Nelle Fulford, Billy Rotenberry, Myra Frost, and Jimmy Wyatt.

Mrs. C. E. Criswell of Birmingham visited Mr. C. E. Criswell for a short while Monday.

## Hudson Strode Acclaimed "High Point" On College Concert and Lecture Series

The appearance in Palmer Hall Monday evening of Professor Hudson Strode, University of Alabama author, scholar and lecturer, was a high point in the series of outstanding presentations this season by the Alabama College Concert and Lecture Course.

Speaking on the subject, "An Adventure in Understanding; or the Reasons for Friendship between the United States and South America," Professor Strode declared that the needle of destiny for the United States has veered from east and west in the Nineteenth Century to north and south in the Twentieth Century.

"In a world swept by forces opposed to the spirit of democracy," he said, "the United States must have not only the trade of South American countries, but also their friendship. Cordell Hull, our secretary of state, has made tremendous progress toward winning that friendship by his 'good Neighbor' policy, and by his statesmanship in the Montevideo Conference."

Pointing out that Germany before the World War looked upon South America as a likely field of empire, the speaker described the efforts now being made by Germany and Japan to gain a foothold there both for their trade and for their undemocratic ideas. In trade they are making rapid advances. Mr. Strode believes that unless the United States provides a sustaining friendship to South America, the fantastic ideas may grow also.

The audience gave particularly close attention to entertaining word pictures of the aristocratic and sophisticated society of Rio de Janeiro and other large cities. "It is a serious error to think of South Americans as a crude people," Strode said. "They have a charm not surpassed anywhere in the world."

The exciting story of flight over the Andes was a high point in Professor Strode's address. His latest book, "South by Thunderbird," is a best seller both in America and in Europe.

Published weekly in the Masonic Building on Main Street. Entered as second-class matter, April 1, 1933, at the Post Office at Montevallo, Ala., under the Act of Congress, March 3, 1879.

The papers report that many Southern Senators got mad when F. D. R said in his Jackson Day address that he voted for Teddy in 1904. Wonder if it will make those Senators mad when they find out that millions of Republicans have voted for F. D. R.

Pete Jarman made his first speech in the House of Representatives last week. It was a good speech, timely and to the point. He made the point that Congressional agitation about the Ludlow war referendum measure was not caused by the Japanese bombing and sinking of the Panay.

**COMMUNITY FINANCE TOPIC FOR DISCUSSION**

Montevallo citizens and taxpayers will have an opportunity to attend a very interesting and instructive meeting on next Monday evening at 7:45 in the auditorium of the Presbyterian Church. The subject to be presented is "Community Finance." Dr. Acker will preside. Dr. Hallie Farmer will speak on the subject.

Mr. J. A. Brown will tell how the town gets its money. Pete Givhan will discuss the "Town Debt." Mr. Stanley Mahan will enlighten the audience as to how the town spends its money.

Mr. Gardner will be present at the meeting and if any questions are presented by the audience he will be ready to discuss them.

The Business and Professional Women's Club of Montevallo is sponsoring this program.

## High School News

(By Bob Anderson)

Examinations for the first semester of work at Montevallo High School are scheduled to begin Friday. These tests will extend into the next week. Report cards for the six weeks and the semester will be issued week after next.

The Junior Three Class will have its first dance of the year at M. H. S. tomorrow night from eight until eleven. Only those who have official invitations, which were issued Tuesday of this week, will be admitted. The class was unable to get an orchestra, so the music will be furnished by a Rockola.

Yesterday the M. H. S. Blue and Orange Basketball team played its first game of the season, against Bessemer, in the College Hangar. This is the first year it has been possible for the team to play in Montevallo because of the lack of a gymnasium. This year, however, the officials of the college have consented to allow the team to practice in the hangar, and to play some of its games there. The new basketball uniforms and equipment have arrived, and the team looks good in blue and orange combinations.

Try-outs for the Senior play will begin Monday. The play that has been chosen for production this year is a Broadway hit of not long ago, called "Fly Away Home."

**CARD OF THANKS**

We wish to express our thanks and appreciation for the acts of kindness and beautiful flowers received from our friends and relatives at the death of our sister, Mrs. Grace A. Hale.—Mr. and Mrs. A. L. Lucas.

**P. T. A. MEETING**

Regular meeting of the P. T. A. will be held Tuesday, Jan. 18, at 3:30. Miss Elizabeth Utterback will make a talk on "Recreation Needs of the Adolescent." There will also be other talks and movies.

Executive meeting of the P. T. A. will be held Thursday afternoon at 3:30 at the Elementary School.

**BRIERFIELD NEWS**

Friends of Mrs. Russell Potts will be sad to learn of her illness in the Norwood Hospital.

Mrs. J. S. S. Bell and Master Frank Potts are also on the sick list this week.

Our colored neighbors announce a box supper to be held at the Carlton Hill School Saturday night.

**CALERA PRESBYTERIAN CHURCH**

On Sunday afternoon at 3 o'clock there will be a worship service in this church, at which time, the Rev. A. J. Cox of Montevallo will bring a message which will be of interest and inspiration to everyone—young and old. These services, held every first and third Sunday, are proving themselves worthwhile in many respects. We urge that you come and bring your friends.

## Baptist Church

"A Greater Than Solomon" will be the pastor's theme at the Sunday morning service. In the evening he will speak on "Unpossessed Possessions." Sunday School begins at 9:45 a.m. You will miss something worthwhile if you are late. The Baptist Training Union meets at 6:45 p.m.

The large and increasing attendance at all the services recently is very gratifying and encouraging. Yet there are many people in the community who do not attend church at all and many others who attend very irregularly. If you belong to either of these classes, come to church next Sunday and join with your friends in worship. It will do you good. You will want to come again.

# The Economy Purchase Plan

*Is A Reward for People Who Pay Their Obligations Promptly*

CUSTOMERS of the Alabama Power Company have enjoyed for years the "discount" feature of the service bills which rewards the prompt payer by permitting him to pay his electric bill in the "net" amount.

A considerable savings in the cost of electricity has been realized by those customers - the large majority - who pay promptly and thus pay less than the delinquent. To further reward its customers and to encourage them to own electrical appliances the Alabama Power Company is now cooperating with hundreds of Alabama appliance merchants, the majority of the leading appliance manufacturers and the Commercial Credit Company to provide a time payment plan which permits lower finance charges for the prompt paying purchaser.

It is known as the Economy Purchase Plan, a name deserved because of its low charges which permit you to purchase appliances at small monthly payments without straining the family budget.

You can buy electrical appliances from any dealer displaying the Economy Purchase Plan emblem and make your payments when you pay your electric bill. You do not have to buy your electrical appliances from Alabama Power Company to enjoy the convenience of this plan. Hundreds of Alabama electrical dealers are ready to offer it to you.

★ ★ ★

If you'll ask about the details of the Economy Purchase Plan, you may learn that it's possible for you to have that completely electrified home sooner than you hoped.

## AN ARMY for SERVICE

SOUTHERN BELL telephone employees are constantly training to keep pace with a changing business. They work individually, yet as cooperative parts of an organization, knit together by loyalty to the service. In these respects they are like a vast army, an army for public service.

Their ranks numbered some 20,500 men and women at the end of 1937, growing by 1,600 over 1936. Their payroll was four million dollars higher than for the previous year, reaching close to \$26,000,000, most of which was spent in their home communities.

During the year, this army not only maintained the telephone "plant" for your use, but constructed over \$27,500,000 worth of new facilities to meet the increased demand for service. At the end of the year, there was about \$235 invested in your telephone "plant" per telephone.

An average of 8.6 local calls per day per telephone were handled in 1937, or nine million calls a day. In addition, some 43,800,000 toll and long distance calls were completed in 1937.

A gain in telephones in 1937 brought the Southern Bell Company's total to 1,080,000 by the end of the year.

Taxes increased by about \$575,000, mounting to \$7,900,000 paid to Federal, State, County and Municipal governments in 1937.

Important figures, these. But more important to telephone users is the army for service, whose sole aim is to give the "most telephone service and the best, at the lowest possible cost consistent with the financial safety of the business."

## Posture Test Given To School Children

Last week was Posture Week at the Elementary School. Through the cooperation of the classroom teachers and student teachers in physical education there was much interest in improving posture.

The children made posters, discussed the value of good posture, and some of the grades made up posture acrostics.

Every pupil in the school was given a posture test including correct standing, correct sitting, and correct walking. Those having "A" posture received blue ribbons.

A chart of "Shooting Mercury" was made showing the percentage of good posture in each grade. It read: Third Grade, 25.6 per cent; Fourth Grade, 25 per cent; Fifth Grade, 46.8 per cent; Sixth Grade, 27.2 per cent.

The names appearing on the "A" Posture Honor Roll are: Third Grade, Mildred Allen, Charles Blankenship, Glen Canant, Betty Gravlee, Billy Ray Hartley, Margaret Kennerly, Betty Joe McLain, William Henry Mitchell, Doris Ann Pickett, David Ward.

Fourth Grade: Sarah Adams, Flora Mae Baker, Laverne Cooley, John Cunningham, Wheeler Hartman, Vaudine Holcombe, John Lacey, Christine Lee, Winston Lucas, James Nichols, Willie Mae Smith, Dorothy Thomas.

Fifth Grade: Theron Allen, Joyce Baker, Mary Bearden, Cecil Brown, Una Faye Davis, Dean Daviston, Thomas Henderson, Jimmie Henning, Rose Marie Lee, Buddy Mitchum, Truman Shaw, E. G. Smitherman, Harold Swann, Sherry Whatley, Harold Wells.

Sixth Grade: Albert Baumgartener, Bobby Bowling, W. T. Britt, Murray Fancher, Billy Frederick, Alton Hall, Louise Holcombe, Gloria Mitchum, Charles Nichols, Ethel Lois Pate, Julia Rogan, James Swann.

## WPA Funds Allotted To 4 County Schools

According to information received by County Superintendent J. L. Appleton from Congressman Pete Jarman, the WPA has allotted \$23,426 to construct school buildings at Maylene, Shelby, and Siluria; also a vocational shop building at Columbiana.

It is stated by Mr. Appleton that this work will be started as soon as the state WPA administrator assigns labor to the projects.

Mr. Appleton also states that federal aid has been requested for school buildings at Vincent, Chelsea, Calera, Pelham, Helena, Montevallo and some other places in the county. Allotments for these are expected in the near future.

### Mrs. Appleton Honors Mrs. Sewell

Mrs. J. L. Appleton honored her mother, Mrs. J. W. Sewell, with a tea last Friday afternoon. Mrs. Sewell spent several days last week with Mrs. Appleton. Refreshments were served to the following guests: Mesdames J. R. Lewis, A. C. Anderson, C. D. Tatum, J. L. Bridges and Edwin Allen.

Mr. and Mrs. Roy Hicks and children, Roy Jr., Grady and Laura Ann, and Mr. and Mrs. W. Mercharat spent Sunday in Birmingham.

### BASKETBALL

Two games are scheduled this week by the basketball team of Montevallo High School, as follows:

Friday afternoon at 3 o'clock with Siluria, at the Hangar.

Saturday night at 7:30 o'clock with Jemison, at the Hangar.

Admission prices will be 10 cents and 20 cents. It is hoped that the people of the town will make a good attendance at these games.

### THE DIXIE STORE MERGED WITH DOLLAR STORE

Mr. Ike Nathews announces this week the consolidation of the Dollar Store and the Dixie Store, with the business to continue in the name of the Dollar Store at the location of the Dixie Store.

In a special message to men, Mr. Nathews says: "Our stock of gents' furnishings is complete. We want our men customers to know that in making this change we have not in any way restricted our line of men's merchandise. We are fully prepared to meet your every need."

"At the same time we will continue to offer a full line of ladies' ready-to-wear, etc. Your patronage is appreciated and we invite you to come to see us. Mr. Mose Woolley and Mrs. Gertrude Morse will continue with us and will be glad to meet you at our new location."

### GOVERNOR DETERMINED TO STOP GAMBLING

Montgomery, Ala. — Governor Graves last week reiterated his determination to wipe out gambling in Alabama when stalwart officers of the State Highway Patrol were dispatched to Shelby County after complaints had been received that many roadside gambling dives were operating openly.

Chief Walter K. McAdory reported last Friday that his officers found all the places "in darkness." Though the Governor made no formal announcement of policy, it was understood that henceforth the Highway Patrol will be used as a law enforcement agency, particularly in wiping out gambling in the state where local officers cannot cope with the situation.

Miss June Reid of Montgomery spent the week-end with her parents, Dr. and Mrs. J. I. Reid.

Mrs. Carl Brill of Piper was a visitor in town Saturday.

Mrs. Harry L. Bledsoe and Miss Willie Gould spent Sunday in Columbiana with their parents, Mr. and Mrs. H. L. Gould.

We are happy to report that little James Agee Kelly is improving after his serious illness.

Mr. and Mrs. Fred Allen and Miss Lessie Mae McConatha of Calera were visitors in town Wednesday afternoon.

Misses Pattie and Frances Kroell of Montgomery were in town Saturday.

Among those attending the "You Can't Take It With You" matinee Saturday afternoon in Birmingham were: Mesdames E. H. Wills, F. P. Givhan, E. D. Reynolds, G. T. Towery, L. C. Parnell and Miss Minnie Dunn.

Mrs. Zettie Fulford and daughter, Alice Nelle, spent Saturday in Birmingham.

Mrs. Ida Hendrick, Mrs. J. M. Reynolds, Mrs. Mary Creagh and Miss Kate Kroell spent Friday in Birmingham.

Mr. and Mrs. Lande and son, Mr. and Mrs. Isie Levier and son, Mr. and Mrs. Herman Pinkerton, and Miss Bertha Margolis of Clanton, Mr. and Mrs. J. B. Margolis of Montgomery, and Mr. and Mrs. Joe Klotzman of West Blocton were Sunday guests of Mr. and Mrs. Sam Klotzman.

We are glad to report that Mr. Roy Hicks is able to return to his work at Boothton after a recent illness.

Miss Cleophus Hubbard spent Wednesday in Sylacauga.

Mesdames R. A. Reid, Mattie Hubbard, F. H. Frost, Mary L. Hare, Miss Mae Wood and Dr. F. B. Pearson attended the annual W. M. U. County Meeting at the Baptist Church in Columbiana Wednesday.

Rev. and Mrs. O. R. Burns spent Tuesday in Dadeville.

## JOHN F. ALLEN DIED SUNDAY

### PROMINENT SPRING CREEK CITIZEN PASSES AWAY

AT AGE OF 74

John Fletcher Allen, age 74 years, died about 5:45 last Sunday, January 16, at his home in the Spring Creek Community. Although he had been in declining health for several months, his death was sudden. He arose about 5:30. While Mrs. Allen was preparing his breakfast he went back to bed and in a few minutes he was found to be lifeless.

Funeral services were held Monday afternoon at Spring Creek, conducted by his pastor, Rev. La Follette, of Gadsden, and Rev. P. C. Oliver, pastor of the Methodist Church at Ashland. Burial was in the Spring Creek Cemetery with Rogan (Brown-Service) in charge. Pallbearers were Herbie Ingram, Sam Knowles, Max Allen, Auburn Knowles, and Ernest Frost.

Surviving Mr. Allen are his wife, Mrs. M. F. Allen; eight sons: Fred Allen, principal of the Calera public schools; Edward L. Allen and W. C. Allen, Montevallo; E. O. Allen, assistant circulation manager of the News-Age-Herald, Birmingham; Edgar Clyde and John Clinton Allen, Montevallo; F. M. Allen, County Superintendent of Education of Clay County, Ashland, Ala.; Rufus Allen, of Tarrant, Ala.

Mr. Allen was born in DeKalb County, Alabama, the son of Simeon Fletcher Allen and Mary Virginia (Kirby) Allen. He came to Shelby County in 1881, and has lived in the Spring Creek Community since that time. He was a member of the Cumberland Presbyterian Church at Spring Creek. Also he was a member of the Masonic and Odd Fellows fraternities.

The life of Mr. Allen was long, useful and exemplary. He was the friend and wise counselor of all who came into contact with him. Principles of honesty, kindness and fair dealing were the ruling influences of his long life. By his death his community has lost one of its best citizens. His family has lost a father who has meant all the world, both heaven and earth to them. But for all of us there remains forever the precious gem of his excellent character, the uplifting influence of his noble soul, which we know rests now and forever in peace with the angels of heaven.

### Miss Pat Weems Entertains

Miss Pat Weems entertained the Saturday Morning Club at her home Thursday evening. After a delightful evening of games and contests and also a rendition of the Big Apple, refreshments were served to the following guests: Mary Jean Kennerly, Bill Kendrick, Frances Nybeck, Peggy Davis, Billie Phagan, B. J. Moore, Robert Edward Lyman, Buddie Farlow, Buddie Davis, S. J. Livings, and Jimmie Wyatt.

### CIVIC CLUB

Guests of the Civic Club Wednesday were Mr. Graves and Mr. Davis, representatives of the Southern Bell Telephone Co.

Mr. Davis was the program speaker. He made a most interesting discussion of the subject, "What Science Has Up Its Sleeve." Adding to the interest of his address was an actual exhibition and demonstration of a dozen or more inventions that have been perfected by the Bell laboratories to make the telephone what it is today.

After the meeting Mr. Graves met with the Town Development Committee and discussed the proposal now under consideration to make Montevallo's telephone system a dial system.

This committee of the Club, in the next few days, will work out and submit a plan whereby the people of the town may express themselves upon the question of whether or not they want to change over to the new dial system.

The Junior Three party held last Friday night was a big success. Popular recordings played on the Rock-o-la furnished the music for those who cared to dance. There were games for those not interested in dancing. The dance was held in Mr. Collins' room. There were about sixty people there. Teachers, chaperons attending were Mr. and Mrs. J. L. Appleton, Mr. W. F. Tidwell, Mr. B. W. Collins, Mr. Leon Hicks, Miss Minnie Barker, Miss Vinnie Lee Walker, Miss Rizpah Dudley, Mrs. Glennie Nybeck and Miss Ouida Thompson.

The Senior Class lost one of its best members this week when C. B. Booth, of Boothton, accepted a position with the Montevallo Coal Mining Company. C. B. was a commercial student and has made quite a reputation for himself in this line. He was a member of the Aristata Club, and this year has been the cashier of the school bank. We regret to lose C. B., but we are glad that he was able to get such a fine job with good chances of advancement. He will be a clerk in the office of the company at Aldrich.

**VITAL STATISTICS**

Heart disease, which has ranked for several years as the leading cause of death in Alabama, last November was responsible for six deaths in Shelby County and a total of 376 deaths in the state as a whole, according to the monthly provisional report of the Bureau of Vital Statistics of the State Department of Health. The county's November deaths from all causes totaled 23.

November deaths for the state as a whole totaled 2,332, of which 1,301 were of white people and 1,031 of Negroes. Leading causes of death in addition to heart disease, with the number of deaths due to each in November, were as follows:

Tuberculosis, 124; cancer, 115; cerebral hemorrhage, 181; pneumonia, all forms, 200; nephritis, 198, and acts of violence, including motor vehicle accidents, 246.

**SENATOR LISTER HILL**

Mrs. Dixie Bibb Graves resigned her seat in the United States Senate Monday. By appointment of Governor Bibb Graves, Hon. Lister Hill assumed the senatorial toga of Mrs. Graves Tuesday. Mr. Hill was nominated last week in a Democratic primary as the Democratic candidate to fill out the unexpired term of Senator Hugo Black. A general election will be held April 26, in which Mr. Hill will be elected to the unexpired term without opposition.

Mr. Hill will serve until next January in the Black term. Meanwhile he will be a candidate in the regular primaries this year for the full six-year term which will begin when he finishes Mr. Black's time.

It will take a lot of "electing" to get Lister fixed up for his Senate service. But that will not bother him. He will be "on the job" in Washington. Most likely he will not even try to keep track of the election days as they come in Alabama.

A vacancy is created in Montgomery's House seat. And you can bet there will be plenty of interest in the race to fill that place.

**RESULTS OF FEEDING PEANUTS TO CHICKENS**

Auburn, Ala.—The Alabama Agricultural Experiment Station announces the publication of a new bulletin on "The Value of Peanuts and Peanut Meal in Rations for Chickens."

It was prepared by D. F. King and G. J. Cottier of the poultry department of Alabama Polytechnic Institute and can be obtained free from county agents or by writing Dean M. J. Funchess, Auburn.

In describing results obtained through experiments, the writers of the publication say:

"The protein supplied by peanuts did not give satisfactory results when fed in simple rations to hens or chicks unless supplemented with some other protein. Both buttermilk and skim milk were found to be very effective in supplementing peanuts. Fair results were obtained by using peanut meal as a protein supplement in rations for laying hens."

Each year farmers of Alabama produce approximately ten million bushels of peanuts, one-third of which is fed to livestock, principally to hogs. This bulletin reports two experiments: The first deals with the use of whole peanuts, ground peanuts with shells, ground peanuts without shells, and peanut meal in farm-flock rations for laying hens; whereas, the second gives the results of feeding peanuts and peanut products to baby chicks.

**Puzzle Picture : — Who'll Be The First To Get Soaked?****1938 FARM PROGRAM DISCUSSED AT AUBURN**

Auburn, Ala.—Workers of the Alabama Extension Service spent the past week here formulating plans for helping Alabama farmers increase their farm income and improve their living conditions during 1938.

The program includes:

1. Production of more and better livestock and livestock products to supply home needs and for sale.

2. The growing of sufficient foods and feeds for home consumption by families and livestock.

3. Higher yields per acre of crops and livestock in an effort to reduce production cost and to increase profits.

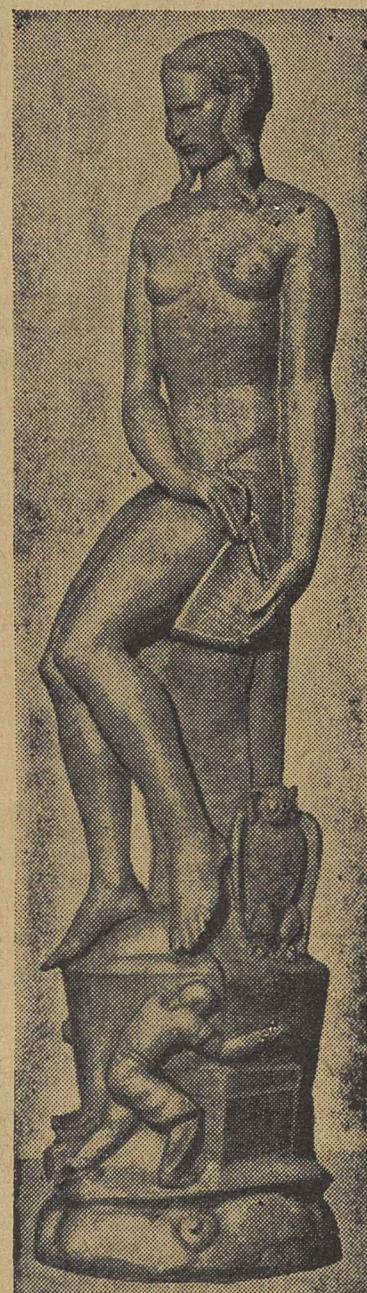

4. Conserving soil by terraces, cover crops, and forests.

5. Improved home life through the addition of conveniences in farm homes and the beautification of the homes and home grounds.

Plans were also made for the extension workers to cooperate with other state and federal agencies in administering programs beneficial to farm people of the state.

The meeting was called by P. O. Davis, director, who presided at the meetings throughout the week. Various problems facing farmers of the state were fully discussed by live-stock and crop specialists who will cooperate with county farm, home, and 4-H agents in getting farmers, farm women, boys and girls to adopt improved farm practices.

The Federal Surplus Commodities Corporation is offering to purchase canned peas for distribution by state agencies, announces the Agricultural Adjustment Administration.

**Freedom of Press**

NEW YORK—Portraying "the unadorned truth," this statue will be dedicated to the constitutional right of freedom of the press in the "Four Freedom" statuary group on the Central Mall of the New York World's Fair 1939.

We keep hearing talk and seeing pieces in the daily papers about Handy Ellis being a candidate for Governor of Alabama. If he runs, we bet he makes a better showing than Shelby County's recent entry in the Senatorial campaign.

**New York Fair To Honor Press**

**NEW YORK (Special)**—To remind millions of visitors to the New York World's Fair 1939 that freedom of the press has helped preserve the democratic form of our government, a statue dedicated to that constitutional liberty will be erected on the \$60,000-Central Mall, Grover A. Whalen, president of the Fair Corporation, announces.

The statue will depict a partially nude woman, representing "the unadorned truth," watching the passing show of world events and recording history day-by-day. A tribute to the moral standard of the press as a whole is contained in the subordinate figure of a child reading a newspaper.

Freedom of religion, speech and assembly will be combined with freedom of press to suggest that these four factors are the cornerstone of democratic government.

**APPROPRIATIONS, NOT REVENUE**

As is generally known now throughout the state, the appropriations to public education are being paid in full—the first time since 1932.

This fact shifts the problem of school finance from additional revenue in the state treasury to increased educational appropriations.

Before the sales tax was levied last March the 1935 appropriations, inadequate as they are for 1938, were not being paid in full. Schools were being operated—or to be exact, were not being operated—under the double handicap of unpaid and inadequate appropriations.

Since the sales tax was levied, however, the first limitation has been removed. Schools are getting what was appropriated to them. Moreover, they could get no more if there were millions of dollars lying in the state treasury—not until and unless new appropriations are voted by the Legislature.

So all the talk and criticism to the effect that the schools are not getting what was promised them, that they are not getting their rightful part of the sales tax receipts, is beside the point.

So long as the present appropriations to schools are being paid in full the schools are getting what they are entitled to—no more, no less.

Today the problem is not more revenue for the state treasury but more appropriations for the state schools.—Alabama School Journal.

A report from the State Treasurer's office prepared by W. Barrett Brown, Fiscal Consultant, shows that the total revenue receipts of the state from October 1, 1936, to September 30, 1937, directly applicable to state operations amounted to \$34,264,656.00.

**TYPHOID DEATH RATE IS LOWER**

In the State of Alabama at the present time there are more than 750 men, women and children who are alive and presumably healthy but who would have died during the year 1936, had the typhoid death rate for this state remained at the same figure at which it stood in 1915, according to an estimate by the State Department of Health, based upon death rates for the two years and 1936 population estimates.

"Alabama's typhoid death rate in 1936 was only slightly over one-tenth of the 1915 rate for this disease," said Dr. J. N. Baker, State Health Officer, in commenting upon these figures. "In 1915, when the state's population was estimated at 2,250,000, typhoid deaths totaled 674. In 1936, when the state's population was estimated at 2,846,485, only 84 deaths were reported as being due to this disease. Had the 1915 typhoid fever death rate prevailed, the 1936 deaths from this cause would have been approximately 855. It is possible, of course, that some of those who would have died of typhoid under the 1915 conditions died from other causes, but it is safe to say that most of them are still alive and active."

The Missionary Society will meet at the church Monday afternoon at 3 o'clock.

Statistics show that Great Britain, the United States, the Soviet Union, France and Holland, produce 80 per cent of all the iron and cotton in the world, 75 per cent of all the coal and oil, 95 per cent of the rubber, 50 per cent of the copper and 95 per cent of the gold.

The Alabama Extension Service and other agricultural agencies in the state are cooperating in broadcasting a 30-minute farm program daily between 11:30 and 12:00 o'clock over Station WAPI in Birmingham. The program is in charge of Harwood Hull, Jr., assistant agricultural editor.

Farmers in soil conservation areas in the southeast are at present planting nearly 30,000,000 trees for erosion control purposes. The Alabama demonstration areas are located at Anniston, Dadeville, and Greenville.

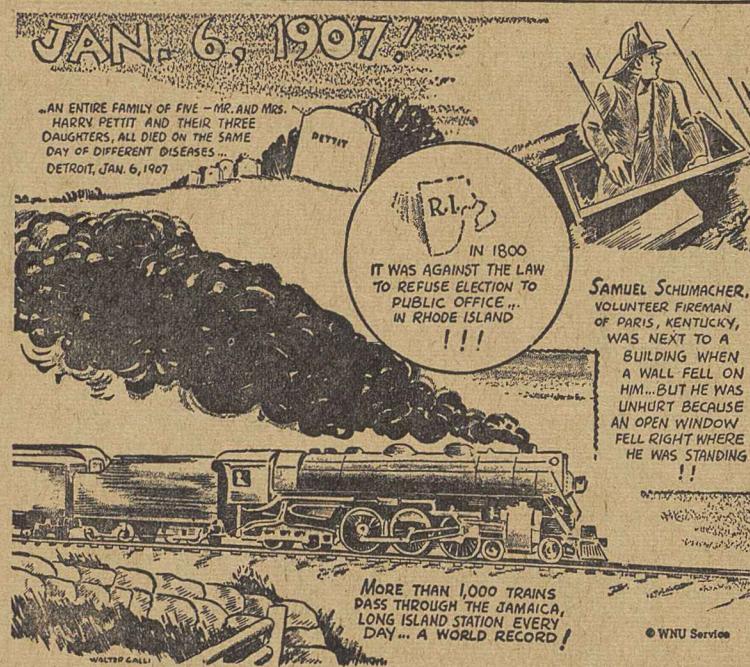

Over 100 foresters of southeastern states attended the 2-day annual meeting of the Southeast Section, Society of American Foresters in Auburn this year and emphasized the importance of farmers growing forests for erosion control and for pulp wood.

**NEGRO FARMERS AND DOMESTIC WORKERS MEET**

Negro farmers and domestic workers interested in the improvement of life in the rural will hold a conference at Columbiana, Friday, Jan. 21. The theme of the conference will be "Making Rural Life Wholesome, Interesting, and Profitable." The meeting will begin at 10 o'clock a.m.

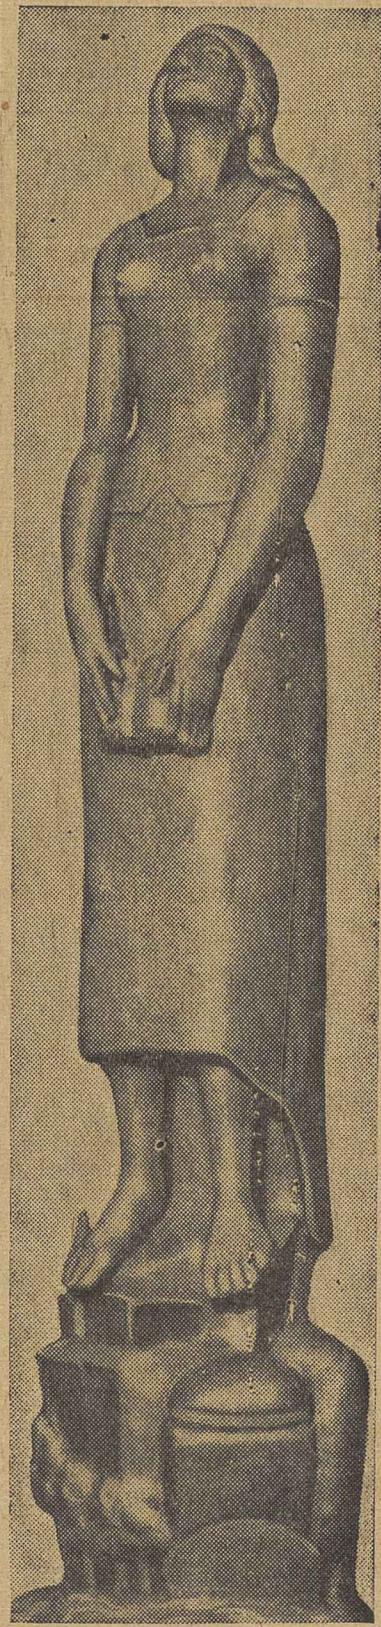

School and community exhibits will be displayed to be judged for awards. Farmers and citizens are expected to bring contributions for this exhibition. The meeting will be held at the Negro Training School and marks the second of its kind held among Negroes of this county. Citizens, both white and colored, are urged to attend the conference and to see the exhibits.

Under a law passed by the legislature in 1936, notices of mortgage sales, where the amount of the mortgage is \$500 or more must be published in some newspaper for three successive weeks. Prior to this mortgages of any size could be foreclosed by posting notice of sale. The law applies to all mortgages executed since July 1, 1936.

**Religious Rights Stressed at Fair**

NEW YORK (Special)—A tribute to the constitutional right of freedom of worship will have a prominent part in the statuary to be placed upon the \$60,000,000 Central Mall of the New York World's Fair 1939, Grover A. Whalen, president of the Fair corporation, announces.

Part of a group known as "The Four Freedoms," the statue will depict a chaste, young girl, her face raised to the skies, holding a prayer-book in her hands. On the base of the statue, a number of churches of various denominations will signify that freedom of religion in this country is not confined to any one sect or creed.

**FARMERS TOLD HOW SAVE LAND AGAINST EROSION**

Auburn, Ala.—Terracing a farm lacks a lot of being all that is needed to stop it from washing away and improve the soil, says S. R. Doughty, soil conservationist of the Extension Service of Alabama Polytechnic Institute in urging farmers to consider every angle of erosion control.

While terracing and contour cultivation with the terraces is the foundation of any good erosion control program on most Alabama farms, he points out that something needs to be done to take care of the water at the end of the terraces and that farming methods need to be adopted that will check erosion between the terraces and put every acre on the farm to uses to which it is suited.

Actual tests by the Soil Conservation Service show that tons of rich topsoil wash out the ends of the best terraces that can be built where farming methods that check erosion between the terraces are not followed.

As long as water runs down unprotected slopes soil will go with it, Doughty says. Experience in erosion control demonstration areas in Alabama, however, show that farmers can do much to protect their fields, he adds, by terracing them, farming on the contour so that each row is a little terrace, keeping the land covered with close-growing soil holding and soil improving crops as much as possible, rotating crops, planting badly eroded fields and bad strips across good fields to close-growing soil-improving or hay crops, vegetating outlets to safely carry water from terraces, developing meadow strips to protect natural draws in the field, contouring and improving pastures, putting badly-eroded land back to trees, turning water out of and planting vegetation in gullies, and in other ways.

**"HOOPS"**

The Montevallo High basketball team will play several of its big games in Montevallo this season. Most of these will be played at night in the hangar at the college so the citizens of Montevallo will have an opportunity to see the best ones. There have been four games played so far with results as follows: M. H. S. lost to Jemison and Bessemer, but beat Vincent. The boys do not feel so bad about the Bessemer game, because the Bessemer team is supposed to be one of Jefferson County's best.

The first of the season, in a private "pep" talk to the team, Coach Collins remarked that he had rather have a good team beat his team than to beat a sorry team. That seemed to be the attitude of all the boys, so when the schedule was picked, the coaches arranged only the games which he thought would be hard to win. That accounts for the rather hard schedule of this year.

Some of the extra-good teams which the team will play are Clanton, Phillips, Marion Institute, and Bessemer. The schedule is given here as it stands at present. A game between Phillips High and M. H. S. will be scheduled to be played in the Hangar.

Jan. 21, Siluria at Hangar, 3 p.m.  
Jan. 22, Jemison, at Hangar, 7:30.  
Jan. 26, Bessemer, at Bessemer, 2:00 p.m.

Jan. 29, Clanton, at the Hangar, 7:30 p.m.  
Feb. 2, Blocton, at Blocton, time 7:30 p.m.

Feb. 4, Phillips, at Birmingham, 3:30 p.m.

Feb. 5, Marion Institute at the Hangar, 7:30 p.m.

Feb. 8, Clanton, at Clanton, time 7:30 p.m.

Feb. 10, Marion Institute, at Marion, 3:00 p.m.

Feb. 11, Maplesville, at Hangar, 7:30 p.m.

Feb. 16, Vincent, at the Hangar, 7:30 p.m.

Feb. 19, Maplesville, at Maplesville, 7:30 p.m.

(At the time this column goes to the Times office, the result of the game played in the Hangar Wednesday night, with West Blocton, is unknown.)

Montevallo High's team this year was greatly strengthened by the addition of Prestley Cook, of Calera to the line-up. Others starring this year are Comer, Ambrose, Mooney, and Youngblood.

The American Legion Auxiliary will meet this afternoon at 3:00 o'clock at the home of Mrs. Fred Frost. Mrs. A. E. Baumgartener will lead a program on the legislative division of the Auxiliary's work. Mrs. Velma Smiley of Birmingham will be special speaker for the meeting.

Mr. and Mrs. Floyd W. Lacey and Mr. F. P. Givhan went to Birmingham last Friday.

Mrs. W. F. Tidwell and son, Bill, returned last Friday from Montgomery where they had been visiting for several days.

Mrs. O. B. Sullivan arrived Wednesday for a visit with her daughter, Mrs. E. P. Hood, and family.

The Montevallo Study Club will meet next Wednesday, January 26, with Mrs. Floyd W. Lacey.

Mr. and Mrs. J. I. Riddle returned Tuesday from Huntsville where they had spent several days with relatives.

**BOY SCOUTS**

(By John Orr)

The Scouts will go on an early morning hike Saturday to Davis Falls. They will leave the High School at 6 o'clock, provided they can still be awake. Donald Vaughan, giving a report of the patrol leaders' conference, said that each man will take his own supplies. (Eggs, steak, bacon, rolls, drinks, etc.) The Scouts will probably play games and return about 11:00 a.m.

Bob Anderson's patrol was in charge of the program Monday night. First, Zanie Nathews gave a marvelous exhibition of bandage-tying, explaining as he went. Then, there was a very clever stunt enacted by Francis Peterson, B. J. Moore, and Bob Anderson. Several members were nicely "stung" by the ending.

P. M. Cain's "Wolf" patrol will be in charge of the program next Monday and it promises to be a good one.

The meeting adjourned early Monday night on account of school examinations.

Rev. D. Z. Woolley of Auburn spent the week-end with his sister, Mrs. L. C. Horn.

Mrs. L. C. Horn is visiting her daughter, Mrs. M. H. Killingsworth, in Montgomery this week.

Mr. Felan Brown was a visitor in Calera Sunday afternoon.

Miss Louise Crowe of Porter spent the week-end with her aunt, Mrs. L. A. Crowe.

Mr. Walter Shaw spent Tuesday in Birmingham.

Mr. Urma Lee Anderson is spending several days in Panama City, Fla.

Mr. Joe Klotzman is on the sick list this week.

## The Jooss Ballet Comes With Echoes of Triumphs Abroad

The Jooss Ballet, which will be presented in an evening performance at Alabama College February 4, returns to America this season with new honors and the echoes of fresh triumphs abroad. This past summer it was a featured attraction at the Paris Exposition, giving in all twelve performances and playing to crowded houses. In the course of the engagement, Kurt Jooss, organizer and director, and seven of the principal dancers were presented with gold medals in commemoration of the fifth anniversary of their prize-winning debut at the Paris International Congress of the Dance in 1932.

Since their visit to America last season, the organization has been constantly on tour in Europe, creating enthusiasm in Holland, Belgium, Sweden, Poland, Rumania, Hungary, Jugoslavia, Austria, Czechoslovakia, France and England.

Jooss founded his ballet twelve years ago in a little provincial town in Germany. "We were all Germans to begin with," he said, "but afterward we became more and more international." The company today is in exile, having its work-stage at Dartington Hall, South Devonshire, England.

### MASTER MASONS TO MEET

All Master Masons are invited to attend the conference at Calera on the afternoon and night of Feb. 8. Some outstanding visitors are expected to be present and it is hoped it will be a profitable day for all who attend. If it is possible, the Conference Secretary will notify the Brethren of Shelby County, however, if you do not receive an invitation from him, this is sufficient to assure you of a cordial welcome.

Mr. and Mrs. Foster Kuffner of New Orleans are visiting Mr. and Mrs. Walter Fancher and Mrs. Theo Kuffner.

Mrs. O. B. Cooper and Mrs. W. P. McConaughy spent Tuesday in Hartselle.

## D. A. R. Choice Goes To Miss Nina Winslett

The David Lindsay Chapter D. A. R. held its regular monthly meeting in the parlor of Ramsay Hall, Monday evening, January 24th with Mrs. Coleman and Dr. Peck as hostesses.

One item of the business meeting was the selection of the Shelby County Good Citizenship Girl. This was done by drawing the name of a girl from the four who had been chosen by their respective high schools as their Best Citizen. The four girls were: Fannie Mae Colum, Shelby High, Columbian; Nina Winslett, Thompson High, Siluria; Violet Shaffer, Vincent High, Vincent; and Jeanne Appleton, Montevallo High, Montevallo. Nina Winslett of Siluria was the lucky one. Her name will be sent to the State Department of Education where it will be included with those similarly selected by other counties of the state. From these names will be drawn the name of the girl who will represent Alabama at the D. A. R. Congress in April as a Good Citizenship Girl. She and the Good Citizenship Girls of the other states of the Union will be entertained as the guests of the National Society D. A. R. in Washington.

Mrs. Kennerly and Mrs. Vaughan were chosen to represent the Chapter at the State Conference which convenes in Montgomery March 8, 9, and 10.

The program of the evening consisted in a review of Nell Swanson's "The First Rebel," a story based upon the pre-Revolutionary history of central and western Pennsylvania.

At the conclusion of the program, the hostesses served a most delightful plate of chicken salad, nut bread, fruit cake, crackers, nuts and coffee to ten members and two visitors, Dr. Dennis and Miss Tillman.

The next meeting will be February 28th at the home of Mrs. A. W. Vaughan with Mrs. Vaughan and Mrs. C. G. Sharp as hostesses.

NOELLE DE MOSA

The lovely Noelle de Mosa, who will appear in "Ballade," one of the dances to be presented by the Jooss Ballett on the evening of February 4 in Palmer Hall at Alabama College.

## Health Authorities Warn of Smallpox

During the past month, twelve cases of smallpox have been reported in Shelby County. The outbreak has been practically limited to one section of the county, and since no new cases have developed since quarantine was established and a large percentage of the population of this section has been vaccinated, the County Health Department is of the opinion that this particular outbreak is under control.

Since some of these cases were of a very severe type and since a large percentage of the population of the county has never been vaccinated, the fact is emphasized that vaccination should not be neglected. It is only because of widespread vaccination in the past that the incidence and virulence of smallpox has been diminished. If vaccination is neglected by a large proportion of the population over a period of time, we can expect a return of large epidemics of a very virulent type of smallpox.

Smallpox vaccination should be repeated every seven years or on exposure to a case of smallpox to make sure that immunity is still present. If the person is immune the vaccination will not "take."

Parents should give their consent for their children to be vaccinated when the Health Officer visits the schools and adults should either have their family physicians vaccinate them or go to the County Health Officer for this purpose.

## Annex Complete At Methodist Church

Last Sunday the new Sunday School annex at the Montevallo Methodist Church was occupied for the first time. This expansion of facilities in the church plant was made possible by appropriation of between \$5,000 and \$6,000 from the North Alabama Conference.

It is a brick veneer structure situated on the west side of the main building. The second floor is used for classes of college students. The ground floor furnishes quarters for the primary, junior and intermediate departments of the Sunday School.

In addition to a large reception hall the annex provides 7 new class rooms, the pastor's study and a kitchen. The latter is equipped with an electric stove. Other appropriate appliances will be added from time to time.

At the same time the annex was being built, a plan of re-arrangement was carried out in the basement of the main building. This provided other rooms for classes, etc.

We are glad to report that Mrs. E. S. Lyman is improving. We wish her a speedy recovery.

## Appleton Candidate For Superintendent

A. M. COCKRELL NEW SUPT. AT ALABAMA POULTRY FARM

The list of County candidates is increased this week by the announcement of Mr. J. L. Appleton, who requests the voters of the County to give him another four year term as County Superintendent of Education.

Mr. Appleton has served the people of Shelby County in this important office since 1933. He was first appointed to fill out an unexpired term, after which he was elected by the people in 1934 for a four-year term, which began in 1935 and will end in 1939.

"My efforts to serve the cause of education and the people of Shelby County have been honest and sincere," said Mr. Appleton. "In coming before you for re-election I wish to say that I will appreciate the support of everyone. If you see fit to honor me with another term as your Superintendent, I assure you of my best, ever and always, in seeking to provide the fullest measure of educational opportunities for the children of our County."

Miss Burma Hilliard of Birmingham was the week-end guest of her sister, Mrs. A. C. Anderson, and Mr. Anderson.

Mr. and Mrs. Alvin Stinson and their son, Mack, spent Sunday with relatives in Columbiana.

Misses Marva Hough and Margaret McCall, Charlotte Claybrooke, and Elizabeth Conn spent Friday and Saturday in Tuskegee.

## W. M. U. Meeting At Columbiana

Wednesday, January 19, the Shelby Association of Baptist W. M. U. met at Columbiana for the annual session. The meeting was called to order by singing the Doxology. A devotional was led by Miss Renna Taylor. The roll was called by the Group Captains and each president responded with the date of organization of their society.

Montevallo was the oldest society reporting. The officers reported splendid work done during 1937.

An installation service was conducted by Rev. J. W. Jones of Columbiana. Misses Betty Jane Houlditch and Margaret Crawford with Miss Vivian Houlditch at the piano brought a very impressive message in song.

The inspirational address was given by Dr. Fred Pearson of Montevallo. His subject was "Religious Freedom."

The association was dismissed with prayer for the noon hour by Rev. Halfacre of Calera. A plate lunch with cake and coffee was enjoyed.

The afternoon session was opened by singing the Jubilee Song led by Mrs. Cowart of Calera. The new superintendent, Mrs. W. J. Weldon, was in charge of the afternoon session.

"A Holy Year" was the subject of the devotional led by Mrs. Terrell Edwards of Wilsonville.

Jubilee talks and conferences were led by the officers.

Miss Aurelia Davis, 1938 Jubilee Chairman, made a very instructive talk on the work for the Jubilee year.

Thirteen societies were represented. The attendance banner went to Calera, and the pin went to Bethel Society as having made the most progress during the year.

## Auxiliary Meeting Of Special Interest Held

Mrs. Fred Frost was hostess to the Hendrick-Hudson Unit of the American Legion Auxiliary on Thursday, Jan. 20. The opening consisted of prayer by the chaplain, Mrs. Fred Frost, flag salute led by Mrs. A. E. Baumgartener and the singing of "The Star-Spangled Banner." The preamble of the Constitution was given in concert, after which a New Year message from Mrs. Malcolm Douglas, National President, was read.

Mrs. J. L. Appleton presided over the business session. Among reports given were membership by Mrs. P. D. Pendleton, National News by Mrs. B. B. Fancher, and Rehabilitation and Child Welfare by Mrs. Frost. This report included the local child welfare work for Christmas and notes from the department president's description of the Christmas party at the Veteran's Hospital in Tuscaloosa. A report from the beautification project at the new bridge was given and plans discussed for further work at an early date. The program on national legislation was given by Mrs. A. E. Baumgartener. The four bills in the program are Universal service, Widow's and orphan's Protection, National Defense and extension and clarification of veteran's preference legislation. The Universal Service bill, which is slated first for presentation in Congress was the chief topic on the program. Mrs. Velma Smiley of Birmingham, who was scheduled for this talk, will be with us in a future meeting. Plans for a joint meeting with the Post next month were discussed and committees named to arrange for the meeting. A social period concluded the meeting during which an attractive salad course was served by the hostess, assisted by her daughters, Misses Virginia and Myra Frost. Members present were Mesdames M. P. Jeter, J. L. Appleton, A. E. Baumgartener, P. D. Pendleton, B. B. Fancher, C. D. Tatum, P. N. Lee, Mattie Hubbard, Glennie Nybeck, W. L. Gravlee, R. P. Holcomb and Mrs. Frost.

Among those on the sick list this week is Miss Martha Allen.

Mr. Walter Shaw attended the annual Sales Congress of the Life Underwriters Association in Birmingham last week.

See Mrs. R. H. Russell for your Real Silk Hose and full line of lingerie. Also full line of Men's socks, ties and underwear. 1-27-4tp

Mr. Inzer Reid spent the weekend with his parents, Dr. and Mrs. J. I. Reid.

Mr. Clifford Gregg of Tuscaloosa was a visitor in town Sunday. Miss Floyce Griffin of Birmingham spent the week-end with her father, Mr. R. L. Griffin.

Twenty-five major industries were located in Alabama during the past year employing more than five thousand persons and with an annual payroll of over five and one-half million dollars.

Alabama's present inheritance tax law was enacted in 1931. An inheritance tax law was passed in 1848 but was repealed in 1868 and the state had no law on this subject until 1931.

Local livestock clinics are being held in various parts of Alabama by county agents and local veterinarians. Reports indicate that farmers are using the clinics in getting their workstock treated for various diseases at greatly reduced prices.

Dr. Charles T. Acker is attending the Clinical Congress of the Southeastern Graduate Medical Assembly in Atlanta this week. "I hope to bring back some of the newest wrinkles of the medical profession," he said as he departed for Birmingham Monday evening to catch the night pullman into Atlanta.

**NEWSPAPER COST CONTINUES RISING**

The number of Southern daily newspapers forced to increase subscription rates due to mounting costs of production continues to increase, according to information gathered by the Southern Newspaper Publishers Association. Drastic increases in prices demanded by mills for newsprint paper, marked advances in wages and salaries and mounting taxes make the increases necessary.

Following are some of the Southern newspapers which have just announced circulation increases:

Atlanta Constitution, Atlanta Journal and Atlanta Georgian-American, weekly carrier rates increased five cents each and mail rates increased in proportion.

Tampa Tribune, weekly carrier rate increased five cents for daily and Sunday.

The Birmingham News and The Age-Herald, weekly carrier rates increased five cents for daily and Sunday. The Birmingham Post, weekly carrier rates increased four cents.

Miami Herald and Miami News, weekly carrier rates increased five cents for daily and Sunday and five cents for daily by carrier.

Macon Telegraph-News, weekly carrier rate increased five cents for daily and Sunday and five cents for daily by carrier.

Chattanooga Free Press, weekly carrier rate increased five cents for daily and Sunday.

San Antonio Light, monthly carrier rate increased 15 cents for daily and Sunday.

According to a survey of the American Newspaper Publishers Association with headquarters in New York City, 148 newspapers over the country within the last few weeks or months have increased circulation rates.

State Highway Patrolmen made 1236 arrests during the month of December. Operating motor vehicles without a drivers license accounted for the largest number, 239, while operators of trucks and buses whose vehicles were not equipped with flares and flag warning signals accounted for 107. Violations of the Revenue Law was the cause of 65 arrests. Among the other items listed overweight trucks accounted for 73, no truck or auto tags 28, improper tags 27, violation of State Carrier Law 36, no brakes 19, improper brakes 17, no clearance lights on trucks 20, wagons without lights 6, passing school busses while taking or discharging passengers eleven. Two arrests were made for manslaughter and 38 investigations were made.

Motorists were assisted in 558 instances. Warnings were also issued to more than 2500 motorists. Seven hundred and forty-four of these warnings were for operating motor vehicles without rear lights, and improper lights accounted for 730 more. Reckless driving and excessive speed, said to be responsible for more accidents than anything else, were responsible for 409 of these warnings.

**Baptist Church**

"What is Right With the Church?" The pastor will discuss this question at the Sunday morning service. At the evening service a group of young people will join the pastor in discussing the question, "Can One be Saved Outside the Church?"

**ALABAMA OFFERS MARKET FOR MORE GOOD CATTLE**

Auburn, Ala.—There is a cash market in Alabama at some price for Alabama produced beef cattle any day in the year, reports Dr. R. S. Suggs, livestock specialist, Alabama Extension Service.

At a recent meeting of packers and dealers in Birmingham, called by the State Chamber of Commerce and Tennessee Coal, Iron, and Railroad Company, the following facts were established:

1. There is very little outlet in Alabama for cattle weighing 900 pounds or more. Birmingham is about the only market in the state for this type of cattle.

2. The greatest demand is for well-bred cattle that will grade medium to good and weigh around 500 to 700 pounds.

3. Birmingham consumes about 500 head of cattle each week, 75 per cent of which comes from the outside of the state, principally Texas and Oklahoma.

4. There is a need for a supply of Alabama cattle each month of the year. At present plenty of cattle are available during the fall months but the supply is light during the summer and winter months.

5. It is most important for farmers to know grades of cattle in order to understand market quotations.

6. There are two outlets for good quality, well-bred cattle weighing around 500 to 600 pounds which can be produced on Alabama farms. They may be used for butchering purposes or for selling as feeders.

Mr. and Mrs. J. B. Henning of DeKalb, Ill., are visiting their son, Mr. J. H. Henning, and family.

Successful farmers are now preparing and planting their spring gardens. W. A. Ruffin, extension horticulturist, reports that Alabama farmers should produce about \$20,000,000 worth of vegetables more than they are now growing.

Alabama farmers are being advised by agricultural workers to make plans now for top-dressing their oats in early March with 36 pounds of nitrogen. This nitrogen can be supplied with 225 pounds of nitrate of soda or its equivalent.

**FORD OFFERS TWO NEW CARS and keeps their PRICES LOW**

**THERE are two new Ford cars for 1938—the De Luxe and the Standard—differing in appearance, appointments and price—but built on the same dependable Ford chassis.**

Both bring you the basic advantages of a V-type 8-cylinder power-plant—smooth performance and compact design. The De Luxe Ford has the 85-horsepower engine. The Standard Ford provides a choice of 85 or 60 horsepower.

Both new cars are economical to operate. The Standard, with thrifty "60"

engine, costs less to run than any other Ford car ever built.

And both new cars are priced low. Low price, like economy, is a Ford tradition. Ford founded the low-price field 30 years ago and keeps Ford prices low.

The De Luxe Ford costs slightly more than the Standard Ford, but provides more style with extra room in the closed sedans. Both cars, in proportion to price, represent unusual values. Both are built to the same high standard of mechanical excellence. There's a dealer near you.

# LOCALS

Mrs. Minor Hendrick had as her weekend guests Mrs. John Priest and Mrs. J. B. Jeffers of Birmingham. Mrs. Z. S. Callet, also of Birmingham, spent Sunday with Mrs. Hendrick.

It is reported that Mrs. Lena Duran is enjoying her visit with her children in California very much.

Mrs. L. C. Parnell has as her guests her sister, Mrs. Stephens, and daughters, Martha Dell and Janella, of Bessemer.

Mr. and Mrs. Robert Lacey and son of Birmingham were guests of Dr. and Mrs. Floyd W. Lacey and Ann on Sunday.

Mr. and Mrs. G. T. Towery and son, Carlyle, spent Sunday in Selma visiting Mrs. Towery's sister.

We regret to hear that Miss Elsa Schneider, Physical Education teacher at Alabama College, left yesterday for Wisconsin where she will teach.

The annual Junior Prom of Alabama College will be held Saturday night from 8:30 until 12:00 o'clock in the new dining room. The "Hardy Knights" from the University and directed by Taylor Hardy will furnish the music.

Miss Thelma McGinty, Supervisor of State Crippled Children's work, will be here Friday to speak to the Sociology Club of Alabama College.

## Missionary Society Holds Meeting

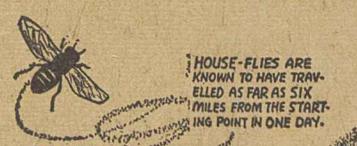

The Methodist Missionary Society met at the church January 24 for the monthly business session. Mrs. O. B. Cooper presided and led an inspiring devotional. Plans for the year's work were discussed. Reports of the officers were given. Mrs. C. H. Mahaffey, who is superintendent of Christian Relations, announced her work for the first quarter of the year is "World Peace" and industrial and economic problems. The three topics on industrial and economic problems are: Our wants and how they are satisfied; what is collective bargaining, and guide to the study of collective bargaining. Announcement was made that the Shelby County Zone Meeting will be held at the Montevallo Methodist Church Feb. 2. This is to be an all day meeting with Mrs. Denson of Calera in charge. Circle 1 had seven members present and No. 2 had ten present. A work day to put the newly decorated rooms and kitchen in order is to be Friday of this week. Each member is asked to bring salad or sandwiches for her lunch.

The Parent Teacher Association is sponsoring a parent class which will meet in the Elementary School Auditorium each Monday at 9:00 o'clock. Miss Lula Palmer of the Alabama College Home Economics faculty is the teacher. Mrs. W. F. Tidwell was appointed chairman of the group and Mrs. M. L. Orr secretary at the first meeting which was last Monday. This series will run for twelve weeks.

Dr. and Mrs. M. L. Orr spent a few days last week in Selma visiting Mr. and Mrs. Miles Hardy.

Mr. M. Ziolkowski will speak at the Vesper Services Sunday afternoon at 5:00 o'clock. His subject will be his visit to Europe and Poland.

It is estimated that the fly which remains active in one room throughout the day actually covers as much as 300 miles of space in 24 hours.

## SANITATION AND HYGIENE OF FOODS TO BE GOVERNED

On August 1, 1937, the Alabama State Board of Health adopted regulations governing the sanitation and hygiene of all establishments in which foods, confections or beverages intended for human consumption are made, prepared or sold, which are of interest to the citizens.

These regulations have been adopted in order that uniform requirements and standard procedure may guide and govern the personnel of the state and county health departments in their efforts to protect the public health from diseases which may be transmitted or spread through goods and beverages.

These regulations provide for the establishment of a permit system whereby all new food, and beverage establishments, before operations may be begun, and annually thereafter, must obtain a permit from the Health Officer, and all establishments now in operation must qualify for permits within a reasonable time after the requirements in each instance are made known to the proprietor. Before such a permit is issued by the Health Officer, certain sections of the regulations must be completely complied with and operation without a permit or after a permit has been revoked, is declared by the regulations to be unlawful.

Permits for each year may be issued by the Health Officer at any time during a period of 60 days antedating the due date of privilege

licenses and it will not be possible to purchase privilege licenses until a permit from the Health Officer can be shown.

Another provision of these regulations consists of authorization for the denaturing and destruction of any food product found in or originating in a food establishment subject to these regulations, which, because of the conditions under which it has been prepared, stored, displayed or handled or because of its state of preservation, is, in the Health Officer's opinion, unsafe for human consumption.

In Shelby County applications for permits will be taken as each establishment is inspected, any failure to meet the requirements of the regulations will be pointed out and a reasonable time allowed to make the necessary corrections. All establishments which meet the requirements will be issued permits for this year which must be renewed within 60 days before the next privilege licenses are due.

Mr. Clifford Fulford of the University of Alabama spent several days last week with his mother, Mrs. Zettie Fulford.

## High School News

(By Bob Anderson)

Reports cards for the first semester and the third six weeks will be issued this week. Incidental Fee slips have been passed out to all students, so that these fees may be paid as soon as possible.

The school Newspaper Club, publishers of the Spotlight, have been given the agency for the new magazine subscription drive of the Curtis Publishing Company. This company has enlisted the magazines of twenty other companies for the drive. Magazines of all kinds may be obtained by members of the Spotlight Staff who are canvassing the town. This same opportunity has been given to organizations of all schools in the country. If you have any magazine that you would like to subscribe to or renew your subscription in, just get in touch with a member of the Newspaper Club.

The books for the Senior play have been distributed among the cast. The first rehearsal will be held Monday. Because of a schedule which could not be changed, one of the members of the cast may not get to be in the play this year. He is P. M. Cain, Jr., and cast in one of the three or four leading roles of the play. Miss Utterback has not yet decided who she will give his part to if he is unable to arrange this.

The third issue of the "Spotlight" for this year will be on sale sometime this week. There have been several additions to the staff, and several changes made in the set-up of the paper this issue.

## Amusement Zone Of New York Fair Biggest in History

NEW YORK (Special)—An amusement zone designed to accommodate at one time the entire population of cities the size of Akron, Atlanta, Birmingham, Dallas, Denver or St. Paul will greet the millions of visitors to the New York World's Fair 1939, Grover A. Whalen, president of the Fair corporation, announces.

By far the largest entertainment section ever constructed, it will contain enough shows, devices, restaurants, villages, shaded rest spots, secondary streets and plazas to handle more than 250,000 fun-seekers.

One huge theater-restaurant alone will have seats for 5,000. Another music auditorium will seat 2,500. An amphitheater to contain huge crowds will be built by the state of New York at a cost of \$1,600,000; erected at the head of one of the lakes it will be the scene of operas, aquatic exhibitions, pageants and other extravaganzas.

The visitor to the Fair will walk about two miles merely to pass through the amusement section which will be laid out in the form of an oval loop with no "dead end" streets.

The 280-acre tract will be divided into at least thirteen villages or zones and every concession will conform in design and atmosphere to the particular zone in which it is located.

An example will be the "Little Old New York" village, where the theater will be a replica of the famous old Park theater, the principal cafe will duplicate Steve Brodie's saloon and the attendants will dress in character. All architecture will be attuned to that picturesque period. Admission to the zones will be free.

## BOY SCOUTS

(By John Orr)

A group of about 15 Boy Scouts set out from the high school at 6:00 o'clock Saturday morning for Davis Falls. After walking for a quarter of an hour they reached the falls. The day was warm and partly cloudy.

The boys cooked their meal out on the rocks surrounding the falls. After a breakfast consisting of steak, bacon, rolls, eggs, etc., the boys began exploring the countryside, passing tests, playing games and "blazing the trail." Three boys found the openings to nine abandoned mines.

The party returned home at about eleven o'clock.

At the meeting Monday night, two boys spoke of offers made by citizens for property on which the Scouts could build a cabin. However, Mr. Dobbins, philosophizing, that there was already one "arn on the fire" said that the Scouts should heartily thank these citizens for their generous offer but explain to them that the cabin near Big Springs will be built soon.

P. M. Cain's "Wolf" patrol presented an entertaining program of knot-tying and artificial respiration. Donald Vaughan's "Bob White" patrol will be responsible for the program next Monday.

Mr. Zufall can also tell you immediately the day of the week on which any date fell during the last 300 years, and can do the same thing for 500 years in the future. As a child he had a very poor memory, read many books on the subject of remembering things, accomplished his remarkable feats through an involved system of associating one fact or number or name with another.

In 1711 England declared war on the Turks, but never did anything about it beyond stopping official communications. The whole matter was cleared up more than a century later by formal treaty. Neither side really won.

Saturday visitors in Birmingham were: Mrs. Mattie Hubbard and daughter, Cleophus; Miss Sadie Weir, Miss Mary LeBron, Mrs. Glennie Nybeck, and Mr. and Mrs. E. P. Hood and Helen.

## Sports Spotlight

Montevallo High's Basketball team started off last week looking good, but they went into a slump after the games with West Blocton, Friday night. Siluria, a team which Montevallo should have beaten by a large score, ran up just twelve points less than the M. H. S. team. Saturday night, the Jemison team beat Montevallo by a score which looked more like a baseball score than basketball. Here are the results of the week:

Wednesday: Montevallo 31, West Blocton 12; Montevallo "B" team 20, West Blocton "B" team 12. Friday: Montevallo 24, Siluria 12. Saturday: Montevallo 10, Jemison 18; Montevallo "B" team 21, Calera Jr. High 21.

Yesterday Montevallo played a return game with Bessemer but at the time this is written, we are not able to give you the score of this game.

It has been rumored that M. H. S. would lose one of its best players because Russell Ambrose has been cast for a part in the Senior play, and cannot arrange his schedule so that he could come out for basketball. This is not true, however, because Russell plans to continue to come out every day, though he will not be able to practice as long as before.

The next game to be played at the college hangar will be Saturday night and will be with Clanton. Clanton has a strong team this year, due to the addition of several players from last year's Mt. Pleasant team, and the game ought to be a good one. It will be at 7:15.

There have been two additional games added to the schedule. They are both with Ensley, one to be played here February 18, and the other in Ensley on February 25.

Since the last issue of this paper, the M. H. S. squad has picked up several new members. Cecil Blankenship, who played on the "B" team last week, is now a member of the "A" team, and did good work against Blocton, Jemison and Siluria. He is the shortest member of the team, but he can take a ball out of the ceiling as well as any of the taller ones.

### PRESBYTERIAN CHURCH AT CALERA

Worship services will be held in this church next Sunday afternoon at 3 o'clock. Rev. A. J. Cox, pastor at Montevallo, will bring a message of vital concern to everybody, both young and old. We urge that you attend this meeting, if possible.

The Alabama farmer has more idle time, time in which he is not performing productive labor, than any other class of worker, says F. W. Gist, farm economic advisor. "No program nor system of farming will ultimately solve the problem of insufficient income that does not start and end with such distribution of productive effort as will give the farmer a full year's work and a utilization of more land for a full year's income," he says.

## "Hurricane," Drama and Spectacle In Romance of South Sea Islands

Samuel Goldwyn's long-awaited film version of "The Hurricane," the famous novel from the typewriters of Charles Nordhoff and James Norman Hall, who wrote "Mutiny on the Bounty," comes to the Strand Sunday and Monday.

The high point of the picture is, of course, the amazing spectacle which gives the story its climax and its name, but the film does not depend upon this alone for its effectiveness. It has tender romance, a picturesque setting, powerful drama—in fact, every element of great motion picture entertainment.

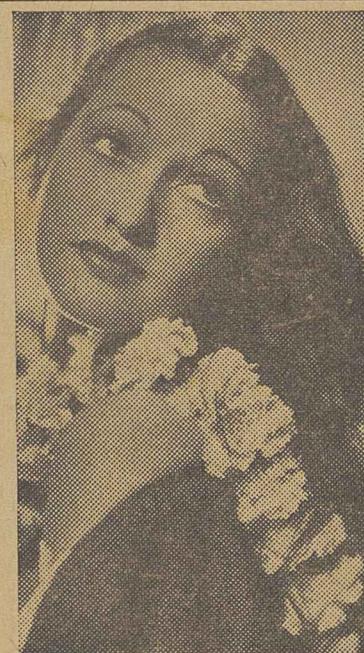

"The Hurricane" introduces an important new star in Jon Hall, the handsome young man of the magnificent physique, whom Goldwyn selected over leading Hollywood names to play Terangi, the native hero of the story.

Dorothy Lamour, who made her screen debut a year or so ago as the native heroine of "The Jungle Princess," appears opposite him as the South Sea belle, Marama, and also scores a triumph in a difficult role.

Goldwyn has given the film a great cast, including Mary Astor, C. Aubrey Smith, Thomas Mitchell, Raymond Massey, John Carradine, and Jerome Cowan.

The story, set on the low island of Manukura, opens with the wedding of the native lovers, Terangi and Marama. Their short-lived happiness ends abruptly when Terangi, returning to Tahiti with the schooner of which he is first mate, strikes a drunken white man who insults him. Terangi is imprisoned. Yearning to see Marama, he attempts to escape, but is apprehended and his sentence extended. In the ensuing five years, he makes several unsuccessful attempts and in final break accidentally kills a guard.

Terangi finds his way to his native island, but cannot remain there because of the attitude of the French Administrator, DeLaage, played by Massey. He takes refuge on a neighboring island where he is reunited with his bride and sees his little daughter. While the search for him is at its height, the great

Dorothy Lamour  
in "The Hurricane"

hurricane begins to blow. Unmindful of his own safety, Terangi goes to Manukura to warn the inhabitants and plays a heroic role in the great catastrophe. Although most of the inhabitants of the island are lost, Terangi is able to save his wife and child and the sympathetic Madame De Laage, beautifully played by Mary Astor, who intercedes with her husband to close his eyes to Terangi's escape to freedom and a new life.

Mrs. M. L. Orr entertained with the Wednesday Afternoon Club on January 19. After the social hour a delicious salad course was served to the following: Mesdames J. A. May, J. L. Appleton, Ottis Wooley, of Ashby, J. R. Lewis, R. A. Reid, F. H. Frost, A. C. Anderson, J. I. Riddle, T. H. Napier, M. Ziolkowski, and Miss B. Beeler.

Misses Ruth and Mildred Stephens of Dixiana and Birmingham, respectively, spent last week-end with their parents, Mr. and Mrs. J. M. Stephens.
